JACKSONVILLE'S OVERALL OFFICE MARKET
1st Quarter, 2009

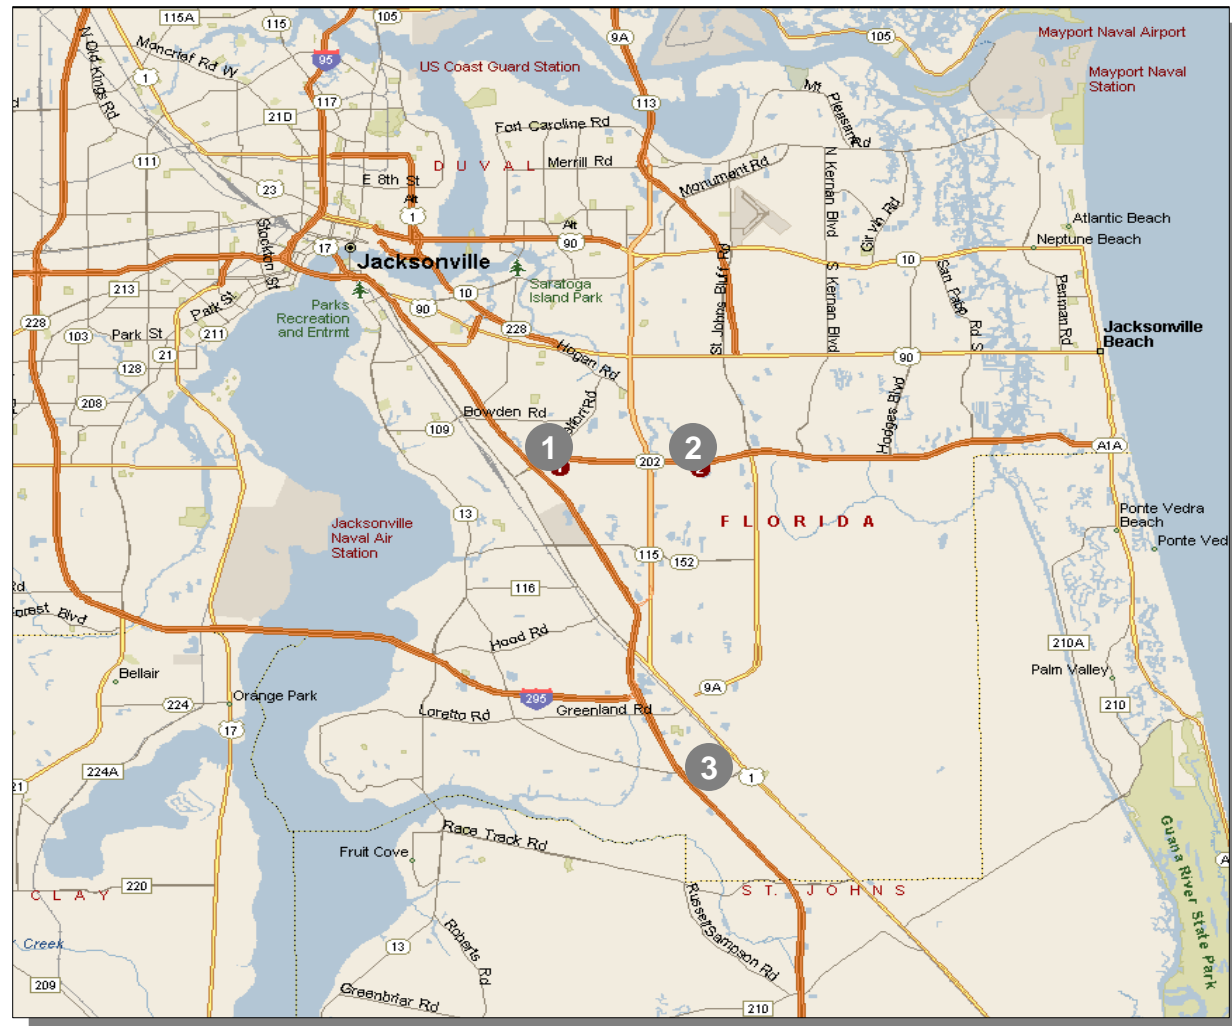

Jacksonville's overall office vacancy rate ended the first quarter of 2009 at *14.5%. Net absorption ended a negative (409,132) square feet. Average rental rates remained at \$18.80 per square foot.

The average quoted class A office space in the Jacksonville market for the 1st quarter of 2009 was \$20.87. Average class B rates were quoted at \$18.58 while average class C rates were \$16.34.

Notable recent deliveries and projects under construction include:

1. Butler Plaza III, 4875 Belfort Road
2. Waterview Building II, 10752 Deerwood Park Boulevard
3. Lakeside V, Flagler Center

**Note: This number incorporates Owner Occupied Buildings. Removing such Buildings from analysis would increase the Vacancy rate to ±18.0%. This number also incorporates the Northeast, Northwest, Beaches, Arlington and Clay County Submarkets.*

LOCAL PRESENCE. GLOBAL REACH

Because your focus is on running your business and you more than likely do not have time to research the market, locate the ideal space, and negotiate a lease, my services may be of use to you. This is what I do on a daily basis at absolutely no cost to you because my fee is paid by the Landlord.

**Will You
Be Looking
For Space In The
Next Two Years?**

CALL ME TO DISCUSS YOUR:

- Desired location
- Size requirement
- Desired move in date
- Current lease expiration date
- Budgeted price per square foot
- Parking requirement
- Ideal space design

I have access to every available office property in Jacksonville and focus most of my business negotiating on behalf of Tenants and Buyers. Since joining Grubb & Ellis | Phoenix Realty Group in 2004, I have been involved in lease and sales transactions totaling over \$38,000,000.
